About AABPS

Above and Beyond Production Services (AABPS) is a Melbourne based lighting and LED screen production company supplying events across Australia

- Corporate events
- Brand activations
- Concert touring
- Festivals
- Theatre shows
- Sporting events
- Equipment hire
- Custom builds
- Manufacturing

Since 2012 we've delivered over 2000 events , providing lighting systems, LED screens and tour-ready production equipment that perform consistently in real-world conditions.

We work closely with production companies, lighting designers, tour managers and event teams who need reliable gear, clear communication, and systems that integrate seamlessly into their builds.

Our approach is straightforward:

- Innovative and creative solutions in Lighting and LED screen
- Equipment prepped and delivered to perform
- Practical designs that work on site - not just on paper

Whether you're hiring individual fixtures, LED walls, or complete systems, AABPS delivers equipment you can rely on, backed by a team that understands the demands of live events.

- **Production**
- **Equipment hire**
- **Trusted by industry professionals**
